

Something to get you started...

It can be hard to start with a blank page, so this is a suggestion for how you can put together an email/Facebook or other request for sponsorship.

You can personalize it in any way you want [we have made some suggestions in purple], or write something from scratch.

Whatever you choose to do, thank you for asking for sponsorship and for

Making your Walk for Life go further

Dear _____,

On May 25, 2025, I/we will be participating in the Cancer Support France-Languedoc (CSF-L) Walk for Life 2025.

I/We are hoping to make my/our Walk for Life go further, by asking for your sponsorship support.

[If you have personal experience of being supported by Cancer Support France-Languedoc, you might want to let sponsors know about that.]

[If you are walking in Honour of someone who has been touched by cancer, you might want to let sponsors know who, and maybe something about them.]

CSF-L is an all-volunteer organization and every euro / pound / dollar raised goes to ensuring appropriate support is provided to people touched by cancer – from diagnosis, through treatment, those caring for someone, and those who have been bereaved. This includes training of volunteers and education.
