

Refold JP1K Feedback Doc

(Doc last updated: Dec. 19, 2022)

Welcome to the Refold JP1K Feedback Doc!

Here you will find information on user-reported feedback, version updates, and instructions for how to submit your own feedback for the Refold JP1K Premium Deck.

Table of Contents:

- How to Submit Feedback
- Reported Issues for Current Version (3.0)
- Suggestions for Future Versions
- Update History
    - Version 3.0
    - Version 2.3
    - Version 2.2
    - Version 2.1

How to Submit Feedback

If you've been using the JP1K and have either found an error or have a suggestion to help improve the deck, we'd love to hear from you!

Please contact us through one of the following ways:

- Our free Discord Community! Join the Japanese server, then report your problem in the #jp1k-feedback channel.
- Fill out a quick Google Form.
- Send us an email directly with your feedback at contact@refold.la

Reported Issues for Version 3.0:

- Card 214: Could use a better sentence in future version

Issues on Mobile Anki:

- Show Reading button clips Japanese sentences on certain cards
- Screen goes completely black for some cards

Suggestions for Future Versions:

- Add pitch accent information to the deck

Update History:

Version 3.0 Updates:

- New card design
- Added images for ~500 cards
- Sorted the deck
    - 50+ more cards are now 1T
    - >90% of cards are now 1T
- Fixed typos
- Improved translations
- Audio fixes

Version 2.3 Updates:

- Sentence reading is now only shown with a button press to enable review of kanji in sentences and to make copying the sentences easier.
