Project Requirements:

SHUE	Select ▾	ROW	Select ▾	Structures	Select ▾
Environmental	Select ▾	Utility	Select ▾	Geotechnical	Select ▾
Value Engineering	Select ▾		Select ▾		Select ▾

Project Scope Statements: Include does & does not statements, address all users of transportation & maintenance concerns, no “deficient” or “substandard” type language. SHUE items do not need to be specifically addressed. This paints a picture of the overall project rather than minor details.

Potential Risks: Related to Scope, Schedule and Budget
