

Irvine High School Lacrosse

BOYS LACROSSE: We play a fast-past, aggressive style of action packed Lacrosse. If you're looking for a Big Time experience, a chance to improve your skills or challenge yourself to be a part of the most exciting team on campus, come be a part of the Aggressive Gentlemen. We run fast, lift hard and play strong. We have every game professionally filmed, use Field Level to help you get recruited to play in college and run a great off season program.
