Resources

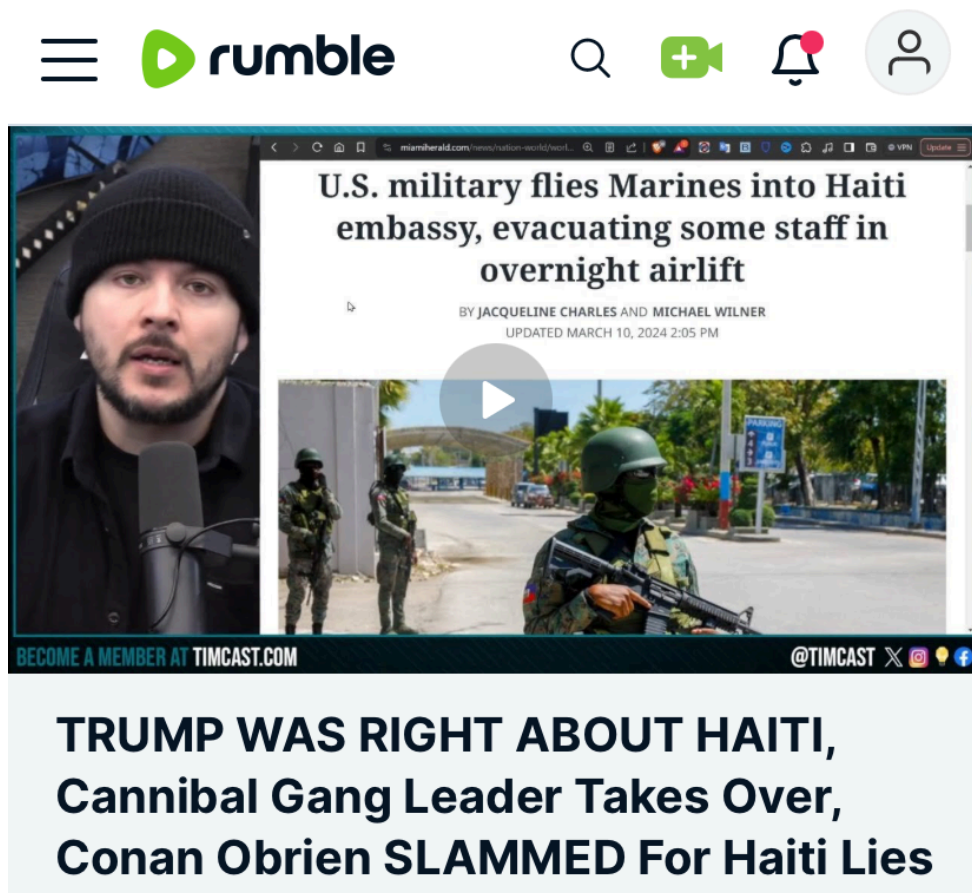

Our natural New Year is coming up, which is the spring equinox, when the sun 🌞 enters zero degrees of Aries season. This year it is **Tue, Mar 19, 2024, 11:06 PM eastern (in some places the 20th)**

The New Year on January 1st that's commonly celebrated on the calendars that are made up and given to US all over the 🌍 to use is not accurate. This is called the Gregorian calendar which is not a naturally based New Year at all. This hidden lie was created **by the Vatican to start getting us to be organized to pay taxes to line the pockets of their pleasures.** This forced upon us calendar has nothing to do with our natural health, our natural timeline or our best interest well being. It is actually intended to keep us out of balance and away from our divine harmony selves. In this state of imbalance we can be easily manipulated and mind controlled by the elites, deep state, dark cult. I believe there's aspects of the time that changes every 6 months that's involved here too. In my research it keeps coming up that in the northern hemisphere, our Spring Equinox is our most compatible natural New Year. I do believe there's even more to this calendar & time

manipulation for negative harmful purposes of humans coming into our awareness.

STORIES in the dark coming into the **LIGHT** in front of everyone's faces in the **MAINSTREAM MEDIA** intentionally to get the people's attention to **wake them up** and to **reverse the negative mind control** so **clarity can rise up and be seen.**

Haiti

The image shows a Rumble video player interface. At the top, there is a navigation bar with the Rumble logo, a search icon, a plus icon, a bell icon, and a user profile icon. Below the navigation bar, the video player displays a news article from 'enabherald.com' with the headline 'U.S. military flies Marines into Haiti embassy, evacuating some staff in overnight airlift'. The article is by Jacqueline Charles and Michael Wilner, updated on March 10, 2024 at 2:05 PM. The video thumbnail shows U.S. Marines in camouflage uniforms and helmets, some holding rifles, in an outdoor setting. Below the video player, there is a text overlay that reads: 'TRUMP WAS RIGHT ABOUT HAITI, Cannibal Gang Leader Takes Over, Conan Obrien SLAMMED For Haiti Lies'. At the bottom of the video player, there is a banner that says 'BECOME A MEMBER AT TIMCAST.COM' and '@TIMCAST' with social media icons.

[Israel](#) 🇮🇱

is in the mainstream news every day right now even more clearly in that America is doing everything they can for Israel.

What is it that Israel has done for America that creates this allegiance to one another?

It's that the elites have put themselves in bed with America and Israel. Really, It's the Khazarian Mafia, ROTHSCILDS, Rockefellers, and other hidden evil bloodline families and royal dynasties that have been doing this for centuries. The Americans were bought and sold to the synagogue of

satan that are now the rulers over Israel. There is definitely **evil corruption here**. Putting this in the face of mainstream media viewers is part of **waking up the unaware people**.

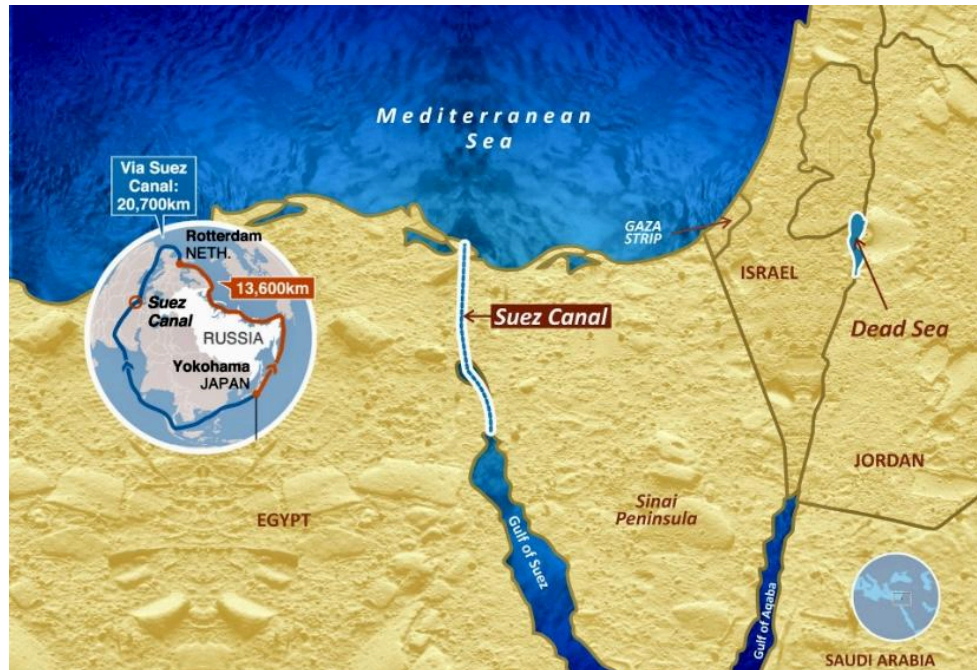

<https://rumble.com/v46e9dl-israel-moments-israel-is-no-longer-the-holy-nation.html>

SUEZ Canal

is an ocean transportation system of children and child bearing women planned for trafficking was shown to those that were paying attention. Human beings were trapped on a sea vessel container barge named, Ever Given in huge shipping crates or boxes from different parts of the world

using the cutting through waterway, the Suez Canal, which is the shortest nautical miles to be delivered to their next leg of action. This was emphasized in a very clever WHITE HAT Alliance move to show the people the truth if you were closely watching and looking deeper than the surface lies of the deep state controlled mainstream media that is.

Suez Canal

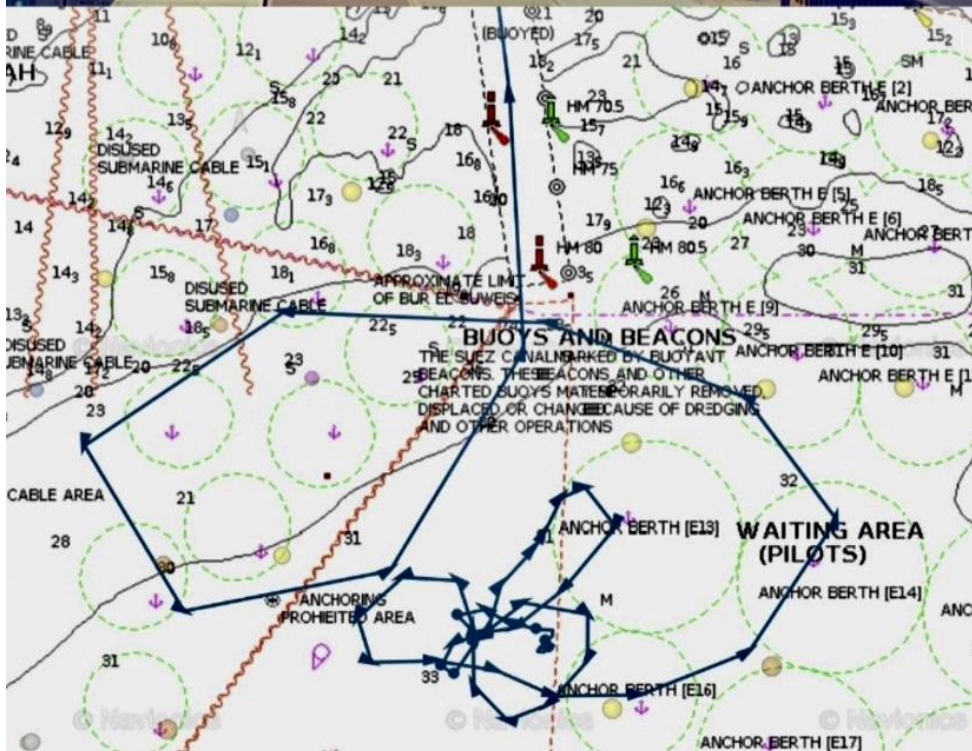

Longer nautical mile distance

in March of 2021

How did they make **EverGiven~Evergreen** get stuck?

They had a remote control overriding device of some kind to control the steering of this barge. The white hats took over the path the boat was to take to show the world what's **REALy** going on. The barge was taken in an odd what seemed like a zig zag out of control pattern that ended up looking like a drawing or outlining of a **phallic symbol** in the water. This was calling attention to the deep state, elite, **dark sex cult realities**.

Macron

France's president, his wife was born a man then transgendered into a woman. Macron said it's a lie. I don't think so.

I believe as so many people in the TRUTHER community believe, Macron capitulated to the WHITE HATS Alliance long time ago and now is being forced to do assigned actions to reveal the TRUTH of his and OTHER's lies especially the deep state, dark cult, ELITES including their practice of **transgendering their children even in utero as a sacrifice to the satanic Baphomet evil god which has boobs and a penis.**

🤔 Baphomet 🤔

Bring on Christ Consciousness

Christ consciousness is a state of heightened spiritual awareness or awakening, characterized by a deep sense of love, compassion and unity

with all beings. It is the highest level of consciousness attainable by humans.

Living did not become a problem until Man refused to listen to the inner voice. When he returns to listening He will cease to labor for the means of living, but will work for the joy of creating. Through His word He will find that He can move upon the all loving and all enfolding substance of God, and bring into visibility every idea he holds in thought.

We, you & me are the co-creators of our reality."

UK Gov't: We 'Accidentally' Sold 10,000 Children To Child Traffickers

By Edward Morgan - July 23, 2018  61

The UK government has admitted it 'accidentally' sold at least 10,000 children to known child traffickers in the last year alone.

Tens of thousands of children mysteriously disappear from government care every year, where they are groomed by sex traffickers, recently released government data reveals.

CONSPIRACY THEORISTS ARE JUST PEOPLE CAPABLE OF PATTERN RECOGNITION.

This is why the tyrants running the sinister agendas fear us, call us dangerous and do everything they can to constantly silence us.

We are a danger to their false narratives.
