

DOGS AT FLCC

We want Friends Lake to feel comfortable and safe for all members.

It is important to observe the policies below.

- Note that if a member requests that an off-leash dog be put on a leash, the owner is expected to comply even during times or dates when off-leash dogs are generally allowed.

All year long:

**ALWAYS LEASH YOUR DOGS WHEN OTHERS ARE AROUND
...EXCEPT 10-11 AM EVERY DAY**

Clean up after your dog

Prevent dog fights

Minimize barking

Special provisions will be made for assistance dogs, in accordance with state and federal law and the needs of those being assisted.

From April 1 - September 30, the following additional control provisions are in effect:

- *Dogs are not allowed to swim in the wading area at the beach, for the safety of small children*
- *Between 4 PM and 9 PM on weekdays, and 2 PM - 9 PM on holidays and weekends, dogs are not allowed in the adult swim area (beach or water), in consideration of members who are uncomfortable with dogs there.*
 - *During peak use time (Noon until 9 PM):*
 - *Dogs in high-use areas (entire beach area including parking lot and adult swim area) must be on a leash of no more than 6 feet.*
- *Dogs tied up in high-use areas must be where the owner can see the dog.*

**** Dog owners who violate this policy will be required to leave their dogs at home ****
