Respected Sir,

I am G. Mohan Rao, F/o G. Aparna. Seeing the advertisement in the newspaper, you have responded in time for our daughter's brain tumour operation by donating a lot of amounts.

I am a clerk in _____ and couldn't afford the operation. Half of the amount has been procured by our staff and the remaining was given by you after the advertisement. God has sent you to save my child.

This letter is to you to acknowledge you about the amount received and the operation of my child is a successful one. I am so happy to have my child back and repay you slowly.

Thank you a lot
