CELEBRATION ACTIVITY
NATIONAL SCIENCE DAY CELEBRATION**

Farook College's Institution's Innovation Council (IIC) organized a National Celebration Activity on 28th February 2024, to commemorate National Science Day. The event was designed to foster innovation and creativity among students and faculty while celebrating scientific achievements and encouraging scientific inquiry.

Objectives of the Programme:

- o To Promote Scientific Temperament
- o To Foster Innovation and Creativity
- o To Encourage Interdisciplinary Collaboration
- o To Inspire Entrepreneurial Mindsets
- o To Celebrate National Science Day

Key Highlights of the Event:

1. Inaugural Session:

- o The event commenced with an inaugural session, presided over by Dr. KA Aysha Swapna, Principal of Farook College. In his opening remarks, he emphasized the importance of scientific innovation in national development and encouraged students to embrace scientific thinking and creativity.
- o approaches can solve contemporary challenges.

2. Student Innovation Exhibition:

- o An exhibition was organized to showcase innovative projects and research undertaken by students. The exhibition featured over 30 projects spanning areas like renewable energy, artificial intelligence, biotechnology, and sustainable materials.

No of Faculty members	:	567 Students

Conclusion

The National Celebration Activity at Farook College organized by the Institution's Innovation Council (IIC) on 28th February 2024 was a resounding success. It provided a vibrant platform for students, researchers, and faculty to engage in meaningful discussions, showcase their talents, and foster a culture of innovation and scientific temperament. The event not only

celebrated National Science Day but also inspired participants to contribute to science and innovation for a sustainable future.
