

Education City Ramadan Tent, Evening Prayers, and Traffic Arrangements by QF

Like last year, Qatar Foundation (QF) will again set up the Ramadan Tent at the Education City Mosque (Minaretein) this year. To ensure safe access for Iftar and prayers, QF has shared the following traffic arrangements, which will be in effect from **March 1 to March 30**:

- **Gate 5 Access Restrictions:** Entry and exit through Gate 5 will be restricted daily from **4:00 PM to 5:00 AM**.
- **Alternative Exits for GU-Q and EC Community Members:** Those leaving the GU-Q building (and Education City) after 5:00 PM should exit using Gate 2 or 3, as Gate 5 will not be accessible.
- **Controlled Access Near QNL Roundabout:** The road from QNL Roundabout toward GU-Q/NU-Q will be controlled with barricades. Only affiliated community members or participating guests and food delivery will be permitted entry between 5:00 PM and 5:00 AM. *Please advise guests and food delivery personnel to mention the university name when visiting or delivering orders. QF security personnel should allow them to pass through accordingly.*
- The Minaretein Car Park will not be accessible for entry or exit after 5pm so we recommend using the Oxygen Park, Car Park which will be accessible 24/7.
