Video Production final movies-

Students in Mrs. Gallahan's video production class were tasked with creating a "Hoops" movie based upon a student misunderstanding that the Hoops tryout is for hula hoops and not basketball. Students had to include a variety of shots which are labeled in the movie. They did a great job!

Options Enrollment

Enrollment records for the 2023-24 school year were just created by the school district last week. We are presuming that all students currently enrolled at PSD Options are returning next year, with the exception of 8th grade students. If this is not the case, please notify our registrar, Amy Boyd, as soon as possible. You can contact her by email at aboyd@psdschools.org or by phone at 970.488.4608.

If you have any feedback that would assist us in continuing to grow our Options program for next year and beyond, we would love to hear from you. We love to collaborate with parents and welcome suggestions and your help in getting the word out about our program.

Schedules

Last Friday students in grades 3-8 started their 2nd semester classes.

Options Post

A few highly motivated students have created the first student newsletter! Here is the [digital version](#).

Calendar Information

Although PSD Options tries to follow the district calendar as much as possible, we do have a difference in our semester end date for this fall. PSD Options 1st semester will end on Friday January 13th, and the second semester will start on Friday January 20th. This means that afternoon classes for 3rd-8th grade students will change on January 20th, and not at Winter Break.

General notes for PSD Options

To help your child know where to go at drop-off, [here is a map](#) that shows the exterior doors to which students should go. K-2 students can enter through the main entrance.

Parking Lot

If you have not already done so, [please make sure to read this document before dropping off or picking up your child](#). We have made a few adjustments to the pick-up/drop-off procedures to make things safer for everyone, and to align our practice with that at PGA. The highlighted sections are changes from previous practice. Also note the picture on the second page which identifies our drop-off and pick-up lanes.
