

Terms and Conditions

1. Payment and Refunds

All payments for services provided by PathBridge Education Consulting are securely processed through trusted platforms such as PayPal and direct debit, subject to availability in your region. Our refund policy is clearly outlined at the point of booking. Refunds will only be issued under the specified conditions. There shall be no refund for missed sessions or consultations without 48 hours prior notice.

Consultation fees are payable in advance and are non-refundable once the service has been delivered. If you need to cancel or reschedule, please provide at least 48 hours' notice. Cancellations made with less than 48 hours' notice may not be eligible for a refund. If PathBridge Education Consulting cancels a session, a full refund or rescheduled appointment will be offered.

By booking, you agree that the service may begin immediately, and you waive your right to a 14-day cancellation period under the Consumer Contracts Regulations.

2. Online Tutoring Services

Parents or guardians are strongly encouraged to approve and supervise all online tutoring sessions for primary and secondary learners. Sessions will not be recorded unless explicit consent is provided by the parent or guardian. The waiting time for clients/students/pupils to join meeting is 15 minutes after which the tutor can cancel the session for non-attendance without refund.

3. University and Scholarship Application Support

PathBridge Education Consulting provides informative guidance and support throughout the

university, scholarship, accommodation, and visa application process. However, all final decisions regarding admissions, scholarships, and visa approvals are made solely by the respective institutions or authorities.

4. Professional Development for International Teachers

Certificates issued for training participation or completion are for record-keeping purposes only and do not replace government-issued qualifications or accreditation. Participants are responsible for the application of learned content.

5. Teach in the UK Guidance Program

PathBridge Education Consulting does not guarantee teaching job placement in the UK. Our role is to provide tailored guidance and support throughout the process of qualification to application.

Clients are encouraged to book a one-hour paid consultation to discuss their individual circumstances and needs. Please note that this service is intended for qualified teachers, particularly those with subject specialisms in high-demand areas such as Maths, Science, or French. If you are unsure about your eligibility, kindly contact us before booking.

Our guidance program offers mentorship and updated information on teaching careers in the UK but does not act as a recruitment agency or licensed immigration advisor. We do not provide job placement services or visa-related legal advice. Employment, visa approvals, and QTS recognition decisions rest entirely with UK regulatory bodies.
