

Snow Canyon High School
School Community Council Candidate Form
2025-2026

Serving on the School Community Council

We are always grateful to work with amazing parents. Serving on our School Community Council is a wonderful way for parents/guardians and teachers to contribute and help improve academic performance at our school. The school receives an annual dividend from the school trust lands. Our council decides how these funds will be used. This year our school is estimated to receive around \$205,000 from the School LAND Trust Program. The council reviews and prepares other academic plans for our students each year. All plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations.

Qualifications

Every public school in Utah has a School Community Council. The councils are made up of school employees who are elected by employees and parents/guardians who are elected by parents/guardians of students attending the school. Membership terms are for two years. Elections are held at the beginning of each school year. Parent/Guardian members must have a student attending the school at least one of the two years of their term of service. Employee members must be employed by the school district at the school. This year we expect to have one parent/guardian position open for election. For more information visit www.schoollandtrust.org.

If you are interested in applying for one of our available positions, please fill out the SCHS Community Council Candidate Form below.
