

Health in Action Post-Workshop Survey

Thank you for participating in this Health in Action workshop. The purpose of this survey is to help us understand the value of this workshop to support our goal of improving local capacity to respond to community health needs. Your responses are anonymous and will only be used for planning purposes. A summary of responses will be shared internally with the Health in Action team and with the workshop provider, if applicable. This survey should take approximately five (5) minutes to complete.
