NO QUIZ FOR THIS STEP IN TRAINUAL

OVERVIEW

We take many images of cars when they arrive before items are put into stock - these are MVR iMAGES

For some parts we will take image of that part after its dismantled to provide more information about that part

So only Some parts that are W status will have part images

[PARTS ALIAS TABLE HAS LINKS TO GENERAL PARTS IMAGES WHICH SHOWS WHICH PARTS WE TAKE IMAGES OFF AFTER DISMANTLING AND WHICH WE DON'T](#)

TO OBTAIN IMAGES OF PARTS THAT ARE NOT SOLD

[Link to video guide for checking JJ in stock images and other pinnacle net images](#)

TIP: not all other pinnacle yards take images of parts

TO OBTAIN IMAGES OF PARTS THAT ARE ALREADY SOLD

We might need this to check details or if we added extra images after sale

[VIDEO GUIDE](#)

INVENTORY-

MODIFY PART -

Enter in tag number -or can do by stock number

Double click on item (line will go blue) and Select images from tab below
