

Hello Hillmen Students and Families!

We know that parking is tough around here, so we wanted to reach out and communicate what is and is not considered student parking for Placer High School. We will be more heavily enforcing staff parking areas and law enforcement consistently enforces city parking codes around the campus, as well.

Below, you will find a map of the parking locations on campus.

College Way is city parking and should **not** be used by students who do not have city permits. Agard, Hale, Finley, Orange, and Olive are available street parking. The student upper lot (behind the stadium) is available, as well.

The green box indicates where students are allowed to park in the lower lot. The lot behind the blue house/Confluence is designated for Confluence students only.

All other staff lots on campus are marked here.

Thank you for your understanding as we try to get staff and students parked and to their classrooms. If you have any questions, please contact the office.

Sincerely,
Placer Administration
