Privacy Policy for Kidoo

Effective Date: [9/08/2026]

Kidoo ("we", "our", or "the App") is a children's educational application designed to provide simple and engaging learning content, including alphabets, animals, fruits, vegetables, colours, numbers, and shapes.

We respect your privacy and are committed to protecting the privacy of children and their parents or guardians.

This Privacy Policy explains what information the App collects, how it is used, and how it is protected.

1. Information We Collect

Personal Information

Kidoo does **not require users to create an account or provide personal information** such as:

- Name
- Email address
- Phone number
- Postal address
- Date of birth
- Profile photograph
- Contacts
- Passwords

The App does not provide functionality for children to create profiles or communicate with other users.

Information Collected Automatically

The App itself does not directly collect or store personal information from children.

However, if advertising services such as **Google AdMob** are enabled in the App, third-party advertising providers may automatically process certain information from the device in accordance with their own privacy policies and applicable laws.

This may include information such as:

- Advertising identifiers
- IP address
- Device information

- App interaction and diagnostic information
- Approximate location derived from IP address

We do not have direct access to or control over all information that may be collected by third-party advertising services.

---

2. Children's Privacy

Kidoo is intended for children and families.

We do not knowingly collect personal information directly from children.

The App does not require children to:

- Create an account
- Enter their name
- Enter their email address
- Provide their phone number
- Upload photographs
- Share their location
- Communicate with other users

We design the App with children's privacy and safety in mind.

If you are a parent or guardian and believe that your child has provided personal information to us, please contact us using the information provided below.

---

3. Advertising

If advertising is enabled in Kidoo, we may use **Google AdMob** to display advertisements.

Because Kidoo is designed for children, advertisements are configured to comply with applicable Google Play and children's privacy requirements.

Advertising providers may collect certain device and advertising-related information as described in their respective privacy policies.

For more information about Google's privacy practices, please review Google's Privacy Policy:

Google Privacy Policy

For information about Google's advertising practices, please refer to:

Google Advertising Policies

We do not intentionally display personalized advertising to children where such advertising is prohibited by applicable laws or Google Play policies.

---

4. Text-to-Speech

Kidoo may use the Android **Text-to-Speech** functionality to pronounce learning words such as letters, animal names, fruits, vegetables, colours, numbers, and shapes.

The App does not collect or store the words spoken by the user.

The availability and processing of Text-to-Speech functionality may depend on the Text-to-Speech engine installed on the user's device.

---

5. Data Storage

Kidoo does not require a user account or cloud-based storage for its core learning functionality.

Learning content is provided within the App or through resources required for the App to operate.

We do not sell, rent, or trade children's personal information.

---

6. Third-Party Services

The App may use third-party services to provide certain functionality, such as advertising or application infrastructure.

Currently, these may include:

- **Google AdMob** — advertising, if enabled
- **Google Play Services** — Android application services

Third-party services may collect information in accordance with their own privacy policies.

We encourage parents and guardians to review the privacy policies of these services.

---

7. Data Security

We take reasonable measures to protect information processed through the App.

However, no electronic transmission or storage system can be guaranteed to be completely secure.

---

8. Data Retention

Kidoo does not maintain user accounts or directly maintain a database containing children's personal information.

Information that may be processed by third-party services, such as advertising providers, is subject to those providers' respective data retention policies.

---

9. Parents and Guardians

Parents and guardians are encouraged to supervise children's use of mobile applications.

If you have questions about information that may have been collected through the App, or if you believe that a child has provided personal information, please contact us.

We will take reasonable steps to investigate and address the request.

---

10. Your Privacy Rights

Depending on your location, you may have rights regarding personal information processed by third-party services.

If you have a privacy-related request concerning Kidoo, please contact us at:

Email: vijayrajpjain@gmail.com

---

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes to the App, our services, or applicable legal requirements.

When we make changes, we will update the **Effective Date** at the top of this Privacy Policy.

We encourage parents and guardians to periodically review this Privacy Policy.

12. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or Kidoo, please contact us:
