Henry Kappler, Director of Bands

Dear Buffalo Grove High School Band Students & Parents,

While the snow may still be falling, it's time to start thinking about that summer sun and marching band! If at any point you have questions about the schedule or band expectations please do not hesitate to email me at [henry.kappler@d214.org](mailto:henry.kappler@d214.org) or call at (847)718-4159.

We still highly encourage all students to take advantage of the community and excitement that being a member of the marching band offers but marching band remains optional. All students who elect to not do marching band will not rehearse over the summer and will participate in a separate band in the first quarter. We forge relationships that last a lifetime, and bring joy and entertainment to so many people through our marching band performances.

- Please take a moment to fill out our band information sheet **today**, or by June 1st at the latest. This for non-marching and marching students. <https://forms.gle/KKKN83qhDTGL1tKz7>
- It is not too late to sign up for band, if you would like to join, please email me today and I will take care of your class scheduling for next year
- Students in all activities, even fall sports, can participate in marching band with our shadow system. Students who are unable to participate in certain performances will be cast as a shadow, and share a position on the field with another student. Students in shared positions will alternate between performances based on availability.
- Band orientation meeting for all families on Wednesday, May 4th at 7pm in the band room. You may enter the band room through door 9.
- Attendance at summer band rehearsals is vital to the marching band's success
  - During summer band rehearsals, expectations for the year are set and group unity (a key component for success) is established and developed.
  - Marching drill and music, integral factors for success, are learned during this time. Any unavoidable conflicts must be reported to the band director in May or June prior to camp.
- Marching Band fees will be \$200 for all band members.
  - The fee is due **June 1st**.
  - The fee covers uniform expenses, a BGHS Band T-Shirt, refreshments/snacks at performances, show design, transportation to marching band festivals and several other items throughout the year (not just marching season).
  - Fees may be paid by check made out to the BGIA and mailed to BGHS, or by PayPal at [bgband.org](http://bgband.org)
  - *This fee is not meant to be prohibitive to any student enrolling in band. If a payment plan or fee waiver is required, please contact Mr. Kappler as soon as possible.*
- Many more specific details regarding summer marching band will be released in late May

Again, I cannot wait to get started and have another great year of music making! Please make sure you submit the band information sheet. Stay up to date by visiting [www.bgband.org](http://www.bgband.org). If you have any other questions, please don't hesitate to call or email. Looking forward to seeing you on May 4th for our band orientation meeting, I'll be awarding prizes for the best Star Wars Day outfit.
