

**Thank you for [signing up to share a reflection](#) during Lent 2025
Dinner Church!**

Our theme this year is [“Everything In Between: Finding God in the Midst of Extremes.”](#) Each week we will be exploring a different “subtheme” (see below) of two seemingly opposing ideas. As we explore these concepts within scripture, we find nuance and complexity. We find that these dichotomies are false. We might find that God is present in between.

So, where does God show up in the midst of these extremes? When have you meet God “in between” seemingly opposing things?

You are invited to share a brief story (5-7 minutes) about a time when you experienced God in between extremes. This can be a short story about a moment in your life, or a general reflection on the theme. You can tell a story, write a poem, make a piece of art — and tell us about it in 5 minutes!

It is holy and good to share stories of how God is showing up, especially in these turbulent times in our country, and world.

As you prepare a reflection, please practice speaking and write out your talk.

Please share a draft of your reflection with Anna by the Tuesday of the week signed up for. If you need any guidance/support, please feel free to reach out!

Thank you so much for sharing your story with us.

Peace,
Anna
