Type your Project Title Here

Type your Institutional Affiliation Here

Type your “project elevator speech” here. It should 280 characters (w/spaces) or less. If you have more to say, put that on the second page (which will be the back when printed on both sides). Right click on beach picture, below, to “change picture” to your image or logo. [FYI: The directions up to the previous period amounted to 273 characters (w/spaces).]

Replace this text with a short caption (just one line, please).

Replace this text with a url or contact information for your project.

Pre-College Engineering Education
A division of the American Society for Engineering Education

Board of Directors
Committee on P12
