Community Service Proposal

Student Name: _____

Organization _____

Parent or Supervisor Name (print):_____

Parent or Supervisor Signature:_____

Please answer below in your own writing. Answer in complete sentences.

1. Please give a one to two sentence summary of an activity you plan to participate in this semester, and explain what exactly you would be doing to assist.

2. How did you hear of this project/organization? Have you participated in it before? If so, how many times and how long ago? Will any of your family members or friends also be participating?

3. How will this activity make a positive impact on the environment, society, or your community?

4. What is another community service project you might be interested in? Why?
