Release Approval	

This is an open source document. Everybody is welcome to contribute. To allow us to be efficient we have only a few rules:

- All contributors use comments to ask questions or make substantive and structural suggestions. Always suggest solutions in your comments not problems.
- Only Maintainers can resolve comments.
- All contributors make edits in "[suggesting mode](#)" (even if you are a maintainer or editor, so the other maintainers or editors can cross-check and accept your contribution.)
- Write suggested edits directly into the text in '[suggesting mode](#)' do NOT use comments to suggest edits
- Only Editors assigned to the document can approve edits
- Spelling will be UK English
- Referencing Style is Harvard (author-date) type. Tools such as [Zotero](#) may be useful.
