Printable Workbook Access: Terms of Use

Effective Date: March 1, 2026

1. License Overview

The Printable Workbook License provides access to printable student materials for a specific curriculum, organized by unit, for the purpose of printing and classroom use.

Each license covers **all teachers within one school building**.

This license is:

- Annual (time-limited)
- Non-transferable beyond the licensed teacher or physical school site

Each Printable Workbook License is valid for a defined access period.

- Access granted **through May 31, 2027**

- New licenses must be purchased for continued access in subsequent school years

The Comprehensible Classroom LLC reserves the right to update, relocate, or replace files annually as part of ongoing curriculum improvements.

3. Access & Delivery

- Licensed users will receive access to a **Google Drive folder** containing printable materials organized by unit

- Access is provided via a **view-only link**
- Materials may be updated, revised, or reorganized at any time during the license period

At the end of the license term:

Each school building must have its own license. District-wide sharing is not permitted under this agreement.

6. Intellectual Property

All materials are the intellectual property of **The Comprehensible Classroom LLC**.

Purchase of this license grants **temporary access and use rights only**. Ownership of materials is not transferred.
