

**Dr Ramalingam Natarajan**

**Contact No.:** (+91) 3324995708

Email ID: [rnatraj@iicb.res.in](mailto:rnatraj@iicb.res.in)

**Research Area:** Design and synthesis of novel receptors, through dynamic combinatorial chemistry, Selective and tunable transport of inorganic ions and organic molecules. Crystal engineering of functional organic molecules towards biomedical applications
