THESPYS 2025

OpenWater Registration!!
Please read this CLOSELY!!!

You MUST enter/register all Thespys in Openwater by Oct. 26th. *Hit Save (and NOT Save/Finalize) by Oct. 26th if you need more time for titles. ALL Thespy's (except Playwriting/Short Film) must be SAVED & FINALIZED with correct titles/authors by 11/2 at 11:59pm.

There are TWO separate links for OpenWater:

- 1. One is for Playwriting/Short Film entries - as that Finalization Deadline is 11/9/25.**
- 2. One is for ALL OTHER THESPY Events - Finalization Deadline is 11/2/25.**

All Playwriting scripts and Short Film links must be uploaded by Nov. 9th at 11:59pm.

For ANY Thespy to be officially REGISTERED, you must have started the OpenWater process (with at least the student name and event - leave titles or uploads unfinished if need be) by Oct. 26th at 11:59pm. Finalization MUST be done by 11/2/25 for all Thespys except Playwriting/Short Film. Playwriting/Short Film Finalization is 11/9/25 at 11:59pm.

You may NOT add a Thespy after Oct. 26th but only make changes to the entries you've already made (Title/Author and you may make changes to the names if necessary and drop if someone has canceled). We will ONLY schedule those that were submitted before or by Oct.

26th. Any entries not FINALIZED with proper titles/authors by Nov. 2nd at 11:59pm will be dropped from the schedule. And any plays/short films not uploaded and finalized by 11/9/25 at 11:59pm will also be dropped.

If you have already hit SAVE & FINALIZE and you need to make a change of Title before the Nov. 2nd deadline, please email Megan Weeks at mweeks@michiganthespians.org.
NO title or student name changes are allowed after Nov. 2nd at 11:59pm.
