

Hi Everyone! I would like to make a quick stop by your homes during the week of June 1st for two reasons: to see your child in person (from a distance!!!) and to drop off a little gift and a Memory Book for your child to work on during our last weeks of school!

Please sign up in a time slot below. Since I will be visiting all the children this week, I will not be having our live small-group Google Hangouts.

If these times and dates do not work for your child, I will just drop off the supplies on your front door step and catch up with your child on a Google Hangout at some point!

If you have difficulty signing up on a google doc, send me an email with your choice.

I will be by at some point during this 2.5 hour window! My plan is to ring your doorbell, leave the packet on the front porch, and then step back into your driveway to visit for a few minutes!
