SL: why cold DMS are sucks

SL: Here is why you are not getting any clients

%FIRSTNAME%,

There's a giant reason for not getting your copy client.

And it's not your fault.

The fault lies with the gurus who keep telling you;

“Oh If yOU nOt gEt cLIenTs jUsT sEnD mOrE dMs”

If I see any guru like that, I might puke.

When I first started reaching out, I followed all the guru's tips,

And guess what happened?

I COULDN'T GET A SINGLE CLIENT!

Now %FIRSTNAME%, you should understand old school outreach is not working anymore.

Here is why cold DMS are not working anymore:

- High competition is making it hard for beginners.
- They become too generic, and prospects are immune to this system.
- Not suitable for new copywriters.

But there's a different method to get clients without sending hundreds of cold DMS.

With this method, I got my first client in just 2 days without any experience.

If you want to hit \$10,000/month from \$0 in just a couple of hours,

Watch this [2-hour-long Ultimate Outreach Guide for FREE.](#)

You just need 2 hours of concentration to achieve your financial freedom.

Don't miss this opportunity!

Keep Grinding,

SL: I am going to get clients for you %FIRSTNAME%

Yes, you heard it right,

When you're outreaching, you get a reply and start thinking about how to respond.

This process can end up wasting a big client and big money.

Because of this, I launched a community where you can ask me directly, and I am going to show you the secrets of a master.

That means I am going to get you a client.

In this community, you can ask me any questions about copywriting, and I am going to fulfill this request.

And if you want to see how, [click this link and down the rabbit hole](#).

See You At The Top,

- Kyle

P.S.: By the way, if you are not interested in getting clients and want to stay a McDonald's worker, don't take this simple baby action.

But if you want to affect your destiny and live your dream life, [click here to see how it works](#).
