Dear Parents and Guardians:

Please take a moment to complete the form online at https://fenton.familyportal.cloud/ **or return it to your student's school to the attention of Food Service.** The Education Benefits Form collects information needed to ensure the school receives state and federal funding for education programs. **Without this information, Fenton Area Public Schools could lose important funding for education programs that our students need.** These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional staff (ex. Reading Interventionists, Math Tutors, Academic & Behavior Aides)
- Teaching supplies and materials
- Counselors and Social Workers
- School Nurses
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

Why is Fenton Schools requesting financial information? The Education Benefits Form determines eligibility of a student or household. The total count of eligible students is used to determine the funding amounts that will be made available to a school. The more forms returned the better.

What do I need to do? Please complete the attached form and return it to Fenton Area Public School's Food Service Department or your student's school. Preferably, you may complete the form online at https://fenton.familyportal.cloud/

What else might my student or household be eligible for? Based on the information you provide on your Education Benefits Form; your child may qualify for other programs such as: Pay to play or Pay to Participate

- Programs that provide food support
- Programs that provide field trip support
- Programs that provide school supplies or assist with school fees
- Programs that provide holiday support
- Potential household support for cable and internet

If you have any questions, please contact Anna Goss, Director of Food Services at 810-591-4709 or by email agoss@fentonschols.org.

Sincerely,

Heidie Ciesielski
