<b>4:30pm</b> <i>ManageBac Consulting</i>	<b>Elizabeth Sutherland</b>	International School of Paris	<ol style="list-style-type: none"> <li>1. PYP Next Scope and Sequence/ Reporting Changes</li> <li>2. Class Settings: Locked v. Unlocked for Teachers and the impact on teachers/ school</li> <li>3. Permissions granularity: need for different sets of permissions for EE Coord, CAS, ToK, etc. within the school without being 'Admins'</li> <li>4. Reports and Transcripts: retroactively fixing-- changing a report manually for one student does not change the data file from the generated reports. Where is the data trail?</li> <li>5. General: inherit 'messy' data and bad practice and how to 'clean it up'</li> <li>6. Pulling meaningful curricular diagnostic information. (e.g. AtLs do not narrow down to the 135 skills)</li> <li>7. Creating our own data fields-- in the unit planners; in the student profiles for external diagnostic testing</li> <li>8. Ability to track changes</li> <li>9. Using the API</li> <li>10. PYP Next: Grade 5 Exhibition Portfolios</li> </ol>
