

Dear Families,

As you know, we are using the Second Step program in your child's classroom. The Second Step program teaches children important skills for getting along with others and doing well in school. It also helps our school be a safe, respectful place where everyone can learn.

To further help our school be safe and respectful place, we are also going to use the Second Step Bullying Prevention Unit. In the next few weeks your child will learn specific skills to help stop bullying. Students will learn how to:

- **Recognize** when bullying is happening
- **Report** bullying to a caring adult
- **Refuse** to let bullying happen to themselves or others
- Be a **Bystander** who stands up and is part of the solution to bullying

To learn more about this curriculum go online to SecondStep.org and create an account by entering your email and password. You will then see at the right of your screen a family access link where you will then be prompted to input the activation key:
