

# Economic Systems Bead Game

## Before the Game...

What is the difference between a traditional, command and market economies?

Which of those economic systems do you believe produces the most goods and services? Why?

## After the Game...

<b>Progress (Is it stressed?)</b>	
<b>Choice of Jobs</b>	
<b>Motivation to Produce (Incentives?)</b>	
<b>What to Produce Determined?</b>	
<b>How to Produce Determined? (Specialization?)</b>	
<b>For Whom to Produce Determined?</b>	
<b>Overall Values</b>	

## Reflection Questions...

How are people's lives affected by the economic system of where they live?

Which system provides a better opportunity for a higher standard of living? Why?
