

Pecuniary Interests 23-24

All the governors and associate members of Lipson Vale Primary School have signed the register of personal, pecuniary or business interests. This is a declaration of any business interests, any material interests arising from relationships between governors or relationships between governors and school staff (including spouses, partners and close relatives) and any governance of other educational establishments.

If any interest a governor has could be seen to cause a conflict of interest they would be asked to withdraw from any decision making concerned. This is to ensure that our governors can always be seen to be putting the interest of the school first.

The full register for our school can be found here:
