

A few of these are very juvenile humor. I still laugh at fart jokes too.

A black and white photograph of a man and a woman sitting on a beach. The woman is on the left, wearing a dark cardigan over a white shirt, with her hand to her face in a thoughtful or distressed pose. The man is on the right, wearing a light-colored sweater, looking off to the side. They appear to be in a conversation or a moment of reflection.

She told me we couldn't afford
beer anymore and I'd have to
quit.

Then I caught her spending \$65
on makeup.

And I asked how come I had to
give up stuff and she didn't.

She said she needed the makeup
to look pretty for me.

I told her that was what the
beer was for.

I don't think she's coming back
