Ms. Note (Secretary) 02-751-1201 ext. 208
Mr. Tom (Principal) 02-751-1211

Welcome Back!

It is a great honor and privilege to welcome you to the 2020-2021 school year at the high school. I am pleased to inform you the school is clean and organized for learning. The school is fully open and operational however, several modifications were made to ensure the safety of students and teachers. Your continued support is appreciated.

I am impressed with the nine new teachers who are part of the TCIS high school community. The following pages highlight each new teacher as well as the entire high school teaching team. We are eager to get back to school.

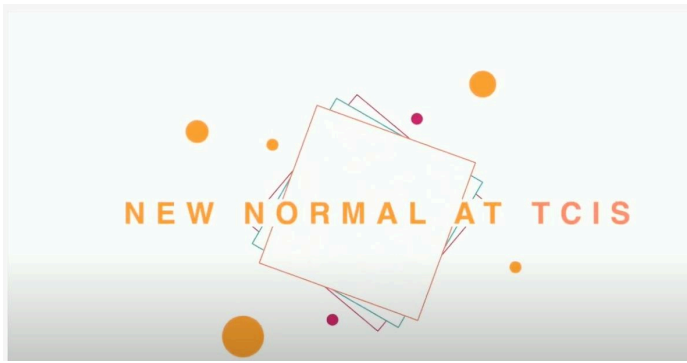

Expect monthly newsletters to keep informed and please feel free to contact me with any questions or concerns. All HS teachers provide a syllabus to students. You will also start to hear from all our High School teachers via email as they are sending out regular updates for their classes. So, please keep an eye out for details and information about classes and events.

Please take a look at his Preparation for the New Normal at the TCIS that has been shared with our community. [TCIS New Normal Youtube video](#)

In this newsletter, you will find an introduction to teachers and a special section recognizing our AP Scholars. You will also find the High School Checklist for the “New Normal at the TCIS” in this section. Please read over this list carefully and share with your children. Also, at the end of this newsletter, you will find photos and emails for all our High School teachers.

Teachers are available for appointments starting August 17, 2020. These appointments must be arranged in advance and remember Zoom meeting work well too.
