BEFORE YOU BEGIN, PLEASE READ THE FOLLOWING EXPECTATIONS:

The National Honor Society selects **sophomores, juniors, and seniors** who achieve excellence in the areas of scholarship, character, leadership, and service. You must excel in **ALL** four areas. **A minimum of 3.75 cumulative weighted GPA is required** to be selected in addition to having completed **20 hours of community service on a volunteer basis** for a non-profit organization.

When completing this form's Leadership, Extra-Curricular, and Work Experience/Awards sections, consider...

A student who exercises leadership:

- Is resourceful in proposing new problems, applying principles, and making suggestions
- Demonstrates initiative in promoting school activities
- Exercises positive influence on peers in upholding school ideals and spirit
- Contributes ideas that improve the civic life of the school
- Is able to delegate responsibilities
- Inspires positive behavior in others
- Demonstrates academic initiative
- Successfully holds school offices or positions of responsibility; conducts business effectively and efficiently; demonstrates reliability and dependability
- Is a leader in the classroom, at work, or in other school or community activities
- Is dependable in any responsibility accepted

In this section, it is necessary to clearly describe your role and activities. **Tutoring is only a service and is not considered leadership.**

A service/community activity is anything you have done to serve your community without receiving compensation (money, personal benefit, or academic credit) for your actions. Service can include activities associated with school organizations as well as any community or religious organizations (non-profit organizations). If you use a club for your community hours, then you cannot double dip and also use it for your activities. For instance: if you are a member of the student council and are completing community service or volunteer hours, you cannot use these volunteer hours for both the student council and NHS. You must complete 20 hours of service during your

conditional membership year to be inducted as a full member of NHS. Office or teacher aides are not considered service.

An extracurricular activity can be a school club, a sport, or an outside club as long as it is organized, meets at least once a month, and has an obvious purpose. You must be involved in at least 2 per year, provide a description, and obtain a valid signature from the advisor or the one who oversees the activity. Show a variety of activities.

The induction ceremony (usually in early May) is mandatory for all new members.
