IMPORTANT INFORMATION FROM RSCA

Please discuss as a board the 2 different structures being considered for redistricting moving forward. Districts will be created statewide of 4,000-8,000 students.

SUPERVISORY DISTRICTS – This will regionalize schooling by dissolving all current boards and articles of agreement, create one board voted on in wards, change to consistent operation district wide.

SUPERVISORY UNIONS – This is the only way to keep all existing boards and articles of agreement (assuming no additional district mergers), create a Union board with representation from all member districts, allow for collaboration between districts and current operation patterns to continue.

Executive Session:

12. Executive Session (if needed)

Closure:

13. Setting Future Agenda

8:00 PM

- Food Service presentation (August)
- Substitute Compensation and Staffing (August)

Note: Executive Session: If discussion warrants, and the Board so votes, some items may be discussed in Executive Session pursuant to VSA 1 §313(a)

Discussion Items - Issues the Board needs to discuss and deliberate, but upon which no action is taken at this meeting.

Action Items - Issues that require the Board to make a decision by vote, may have been discussed over several meetings prior to this point.

Consent Items - Routine matters that need no discussion by the Board, but require Board approval. They are grouped together as a single agenda item. Background materials are provided in the Board packet to be reviewed ahead of the meeting. If there are no concerns, they are approved with a single vote. Any member can request the Board remove an item to be discussed and voted on separately. This frees up time at meetings.

Information Items [Incidental Information] - Matters the Board needs to know about, but for which no Board action is needed. The information flow is one way, from presenter to the Board. Questions for clarification are entertained as time allows.
