Descriptions of each job

Head officials:

Clerk of the course:

Bull-pen official:

- Makes sure kids are organized into their heat/lanes and ready to line up.

Assistant to the bullpen officials:

- Helps the bull-pen official with organizing athletes and getting them to the line on time and in the proper heats/lanes
- May be required to run materials or information to the box

Head Starter:

Assistants to the Starter:

- Helps the starter by keeping athletes in their correct positions so we can move through heats and events in a timely manner.
- May be required to run information to and from the box or start line.
- Moves the blocks to the start line of the next event, at the conclusion of each running event.

Head Timing Official:

Assistants to the Head Timing Official:

- Helps the head timer keep things organized and running smoothly.
- May be required to run things around to different locations.
- Helps with back-up timing when needed.
- Helps time the distance events.

Timing assistants:

- Assigns and records times for each race.
- Saves events and uploads to runner card.
- Instructions for each are in the box.

Assistants to the timing official:

- Assists the head timer as needed

Running Events

Seiko Timer/ Split Reader:

- Located at the finish line.
- Reads lap splits for the distance events, and runs the backup timer on the Seiko watch

Lap Counters/Finish Line:

- Located at the finish line
- Help make sure that distance runners know how many laps they have remaining
- Create a chute at the finish line to keep athletes in order and safely moving away from the finish.
- When “lap counting isn’t needed” will assist with hurdle crew

Hurdle Crew:

- Sets up the hurdles before the meet at the *second lowest notch* on the girls 100H marks, leaving lanes 1-3 empty, with those hurdles stacked in lane 4
- At the conclusion of the girls 100H, moves the hurdles *up two notches (second highest)* and back (towards the start line) to the boys 110H marks
- At the conclusion of the 110H moves the hurdles to the *lowest notch*, and moves 8 hurdles (1 for each lane) to each of the 8 300H marks.
- At the conclusion of the girls 300H race, move the hurdles *up two notches (to the middle notch)* for the boys 300H
- At the conclusion of the 300H remove the hurdles from the track.
- When not working the hurdles, stay near the finish to help in any way that is needed.
- **Note: if it is a junior high meet, there is no 300H event, and the girls hurdles are on the lowest notch, and the boys are 1 up**

Relay Officials:

- At least 2 people need to be at each exchange zone to make sure the baton is passed legally.
- Set up cones for the cut in mark in the 4x400m
- Also set up cones around the entire track, on the line of lane 1, to make sure all races using lane 1 and run legally.
