

Topics will vary but you don't need to be an expert in any specific area. If you can do basic research that will be enough. More instructions will be given with a sample. If you are good at playing with words that's a PLUS because we need eye-catching and interesting articles.

In the future we provide very clear instructions that will help you finish your task quickly. Your produced contents/articles need to be original. We will do a plagiarism check.

Please choose 3 topics and write a short 200 word pitch for each topic

Topics:

- 1) The Guide to Writing SEO Friendly Content
- 2) Simple Ideas to Make Your Vacation More Engaging
