

### 13 Break the Code

Some detectives are trying to catch a gang of spies. They know where two of the spies are but they want to catch the whole gang together. They will be able to if they can break the spies' code. Listen to your extract and answer the questions below.

1. Who did you hear talking?
2. Do you know any of the spies' messages? Write them below.

a.

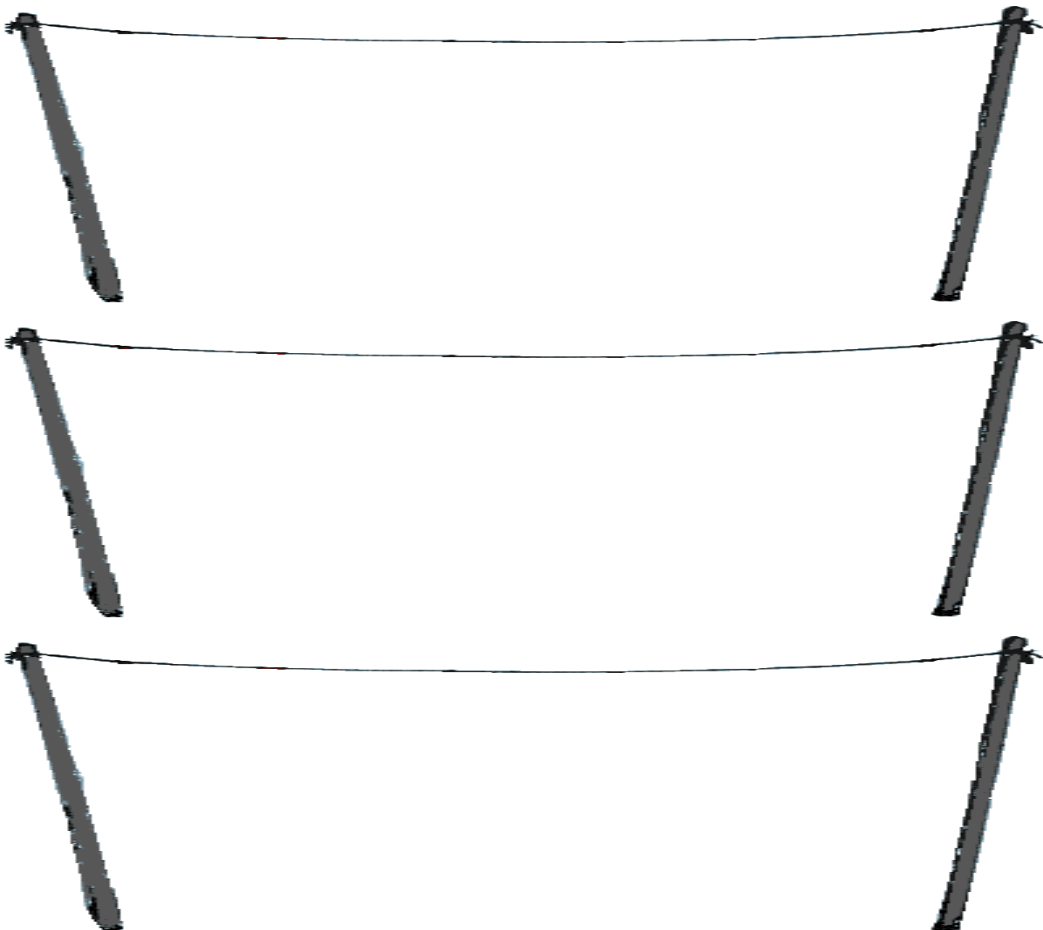

.....

b.

.....

c.

.....

#### Discussion Stage

1. Find out from the other groups who they heard talking.
2. Find out what the three messages are. Write them down.
3. Find out what the three secret signals are and draw them.
4. Can you break the code?
5. What do you think the detectives will do if they break the code?
