

Medications at NPE

1 Medication Basics

- Students cannot transport medications to/from school. An adult must bring all medications to the nurse.
- All medications need to be in their original packaging.

2 Over the counter medications

- Lexington district one medication form must be signed by parent/guardian.
- Medications must be age appropriate for student. For example, a medication labeled "For ages 12 and up" cannot be given to a six year old.

3 Prescription medications

- Lexington district one medication form must be signed by parent/guardian as well as prescribing physician.
- The medication must have the pharmacy label attached.

4 Controlled substances

- For controlled substances like most ADHD medications, the school can hold a 30 day supply at a time.
