

Glenis Tocaj

Glenis Tocaj will be an M1 at the Ohio State University College of Medicine for the 2024-2025 academic year. Born and raised in Tirana, Albania, he moved to the United States with his family in 2016. Glenis completed his undergraduate studies at The Ohio State University, majoring in Biochemistry with a minor in Pharmaceutical Sciences. Outside of his academic pursuits, he is passionate about sports and fitness, regularly attending the gym and enjoying soccer, tennis, basketball, and volleyball. Glenis is also an avid Formula 1 fan and hopes to attend a race in person one day. He is thrilled to be part of this mentorship program and looks forward to connecting with everyone involved.
