Hi Tia,

I really like your content. Your videos are high quality, and you're always full of positive energy, which makes your videos very enjoyable to watch.

Also, While I was going through your website, I had an Idea to help you build a better relationship with your fans and get more people to buy your eBooks by rewriting the welcome sequence you send to your email list

I actually went ahead and wrote one for you.

Would you like me to send it over as a free gift?
