Van Cortlandt Park Course Maps

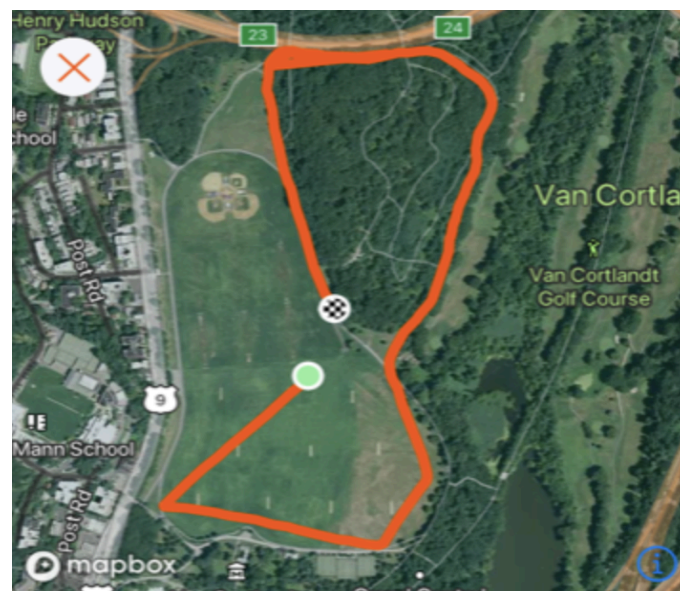

CHSAA Varsity (Soph) Course - 2.5 miles (4023 meters)

2013 marked the return to the traditional course used from 1946-2007, following 4 years of altered courses due to the ongoing and shifting construction at Van Cortlandt Park. The starting line is in the southwest corner of the Parade Grounds between the Mansion and Broadway.

CHSAA Freshman Course – 1.6 miles (2582 meters)

After 4 years of construction at Van Cortlandt Park and 3 different course configurations, the Freshman course was given a new configuration in 2013 modeled closely on the traditional 1968-2007 course. It is still 2582 meters, but the starting line is 53 meters SW of the CHSAA finish pole, still 378 meters from the 1st frosh turn pole as was the 1968-2007 course. The start is free from conflict with newly built soccer fields, and affords athletes, coaches and parents more convenient access to check-in and viewing areas
