Helen is part of the class of 2026 at Edina High School. She is passionate about different fields related to STEM and is currently the captain and co-founder of Science Olympiad and participates in HOSA at her school. She also enjoys Nordic Skiing in the winter through her school and also through a program called Loppet Nordic Racing (LNR). In her free time, she enjoys cooking, baking, sewing, and hanging out with friends. She is also very excited to help students with math and science this summer!
