

SVJH Participant Eligibility for Activities

2026-2027

A minimum standard of C- or an S in every class is required to participate. An S is a satisfactory mark for classes in the middle of a project and/or students who are giving their best effort in every area of class but cannot achieve a C- grade. Any student with an active IEP must meet the intended outcome of the IEP to be eligible. Any student who fails to meet the minimum standard may still practice while attempting to bring up grade(s), but cannot be in a competition or travel with the team until the minimum standard is met by the student. **It is the responsibility of ineligible students to prove their eligibility by taking written notice from their teacher(s) to their sponsor/coach.** Once students bring their coach a note for ALL ineligible grades, they are again able to compete.

Student eligibility will be monitored by sponsors/coaches on the following dates:
