

# Multimedia Text Set: Course Map and Assignments

Explore some Canvas topics from the Capacity Matrix.

This multimedia text set is designed to provide you access to resources for learning how to do that. Feel free to add ONE reflection below, leaving the others blank for others to explore.

| Text/Media to teach me:                     | I learned/Makes me think: |
|---------------------------------------------|---------------------------|
| Web: <a href="#">What is a Course Map?</a>  |                           |
| Web: <a href="#">How To Map Your Course</a> |                           |
| Video: <a href="#">Course Map Tutorial</a>  |                           |
|                                             |                           |
|                                             |                           |
|                                             |                           |
