PHONE CALL SCRIPT

Hello, my name is (YOUR NAME) and I am a constituent of (Senator/Congress(wo)man NAME) I am calling to demand that you take action to uphold and reinforce the human right to receive safe and legal abortions. The recent decision made by the Supreme Court to overturn the 50-year-long super-precedent that Roe v. Wade set is **undemocratic**, **unconstitutional**, and **discriminatory**.

I am calling to demand that (Senator/Congress(wo)man NAME) prioritizes their constituents' unalienable right to bodily autonomy by advocating for the abolishment of the filibuster, the expansion of the Supreme Court, the investigation of Justice Thomas' role in the January 6th coup, and the investigation of Justice Gorsuch, Alito, Barrett, and Kavanaugh's testimony on Roe during their confirmation hearings.

I demand that (Senator/Congress(wo)man NAME) implements policies that allow out-of-state individuals to seek abortion services in the state of California, as well as policies that will reduce rates of abortion such as universal healthcare, paid family leave, comprehensive sex education, free contraceptives, welfare funding, ending housing insecurity, closing the wage gap, funding education, etc.

Thank you

To Whom It May Concern,

My name is (YOUR NAME) and I am a resident of (CITY, STATE). I am writing to demand that you uphold and reinforce the constitutional right of individuals to receive safe and legal abortions. The recent decision made by the supreme court to overturn the 50-year-long super precedent that Roe v Wade set is unconstitutional and

discriminatory towards *everyone* in this country, but will disproportionately impact marginalized communities such as low-income individuals, people of color, LGBTQ+ people, along with many others.

American support of reproductive rights--and the precedent that Roe v. Wade set--has never fallen below a 50% approval rating. The restriction of reproductive rights throughout the United States of America is **undemocratic**, **unconstitutional**, and **discriminatory**.

The following is a compilation of implementation strategies for necessary legislative actions derived from the collective pleas of constituents, activists, and journalists:

1. We demand you fight to abolish the filibuster to codify Roe v Wade into law.
2. We demand you fight for the Supreme Court Justices to have binding ethics rules and term limits.
3. We demand that you expand the Supreme Court by four or more seats.
    a. Article III, Section 1 of the Constitution gives Congress the authority to change the size of the Supreme Court. It has been done seven times before, and it can be done again.
    b. Bring the Judiciary Act of 2021 to the floor in order to bring the size of the court from 9 to 13 justices to match the number of circuit courts.
4. We demand you fight for the investigation into Clarence Thomas' role in the January 6, 2021 coup.
5. We demand you fight for the investigation of Gorsuch, Alito, Barrett, and Kavanaugh's testimony on Roe during their confirmation hearings.
6. We demand that you advocate for policies that will actually reduce rates of abortion, such as universal healthcare, paid family leave, comprehensive sex education, free contraceptives, welfare funding, ending housing insecurity, closing the wage gap, and funding education.
7. Overall, we demand that you unequivocally support and fight for the individual right to bodily autonomy in the form of abortion, reproductive care, and the right to choose what one does with their own body at any point in time for any reason.

Sincerely,
(YOUR NAME)
