

CAR RIDER DROP OFF AND PICK UP PROCEDURES

Morning Drop Off

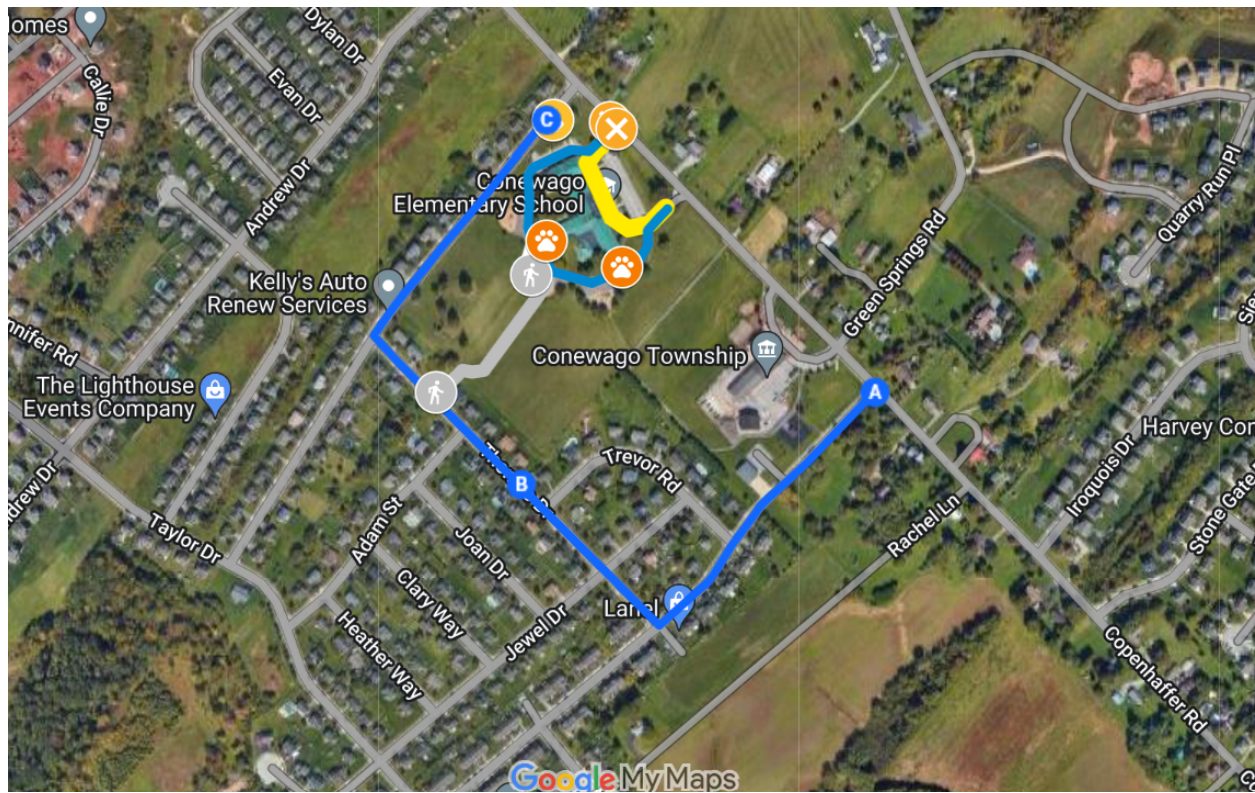

- No one will be permitted on campus until 8:15 AM
- All car rider traffic must go from Copenhaffer Road to Fisher Drive to Thomas Drive to Test Road. You will only be able to enter the school property at the entrance at the end of the fence. You won't be able to make a left turn from Test Road onto the school property. If you must wait to proceed, you should be on the right shoulder so traffic can proceed around you. Please be vigilant of your surroundings as you drive through the development and go the posted speed limit.
- Car riders will drive around the back of the building to the 3rd-grade doors. Drivers must refrain from using their cell phones and drive slowly around the building for the safety of all students, as walkers will be crossing at the crosswalk.
- You must be between the two cones before you may let your child out of the car.
- Your child must exit your car on the left side ONLY.
- Please have your child practice unhooking their seatbelt so that traffic flow can be seamless and you don't have to get out of your car.
- You may not pass the cars in front of you.
- All buses and vans will drop off in the front of the building.
- Walkers MUST use the crosswalk at the middle playground to cross the pavement to the 1st-grade doors. Students MUST wait for a staff member to allow them to cross, as cars will be dropping off their students at the 3rd-grade doors. You can no longer park on Test Road to pick up your student as a walker, as that lane will be used for car riders.

Afternoon Pick Up

- Walkers will be dismissed at 3:10 PM. Students will walk across the crosswalk ONLY. Please make sure your child is away from the blacktop as cars will begin coming around back for pick up at 3:15 PM. You can no longer park on Test Road to pick up your student as a walker, as that lane will be used for car riders.
