

Meet the Teacher - Grade 3 Rocks!

My name is Lori Delahunt-Calvori. I have been teaching for 13 years and have taught grades 1,2, 4/5, 5/6 and 3. This is my sixth year teaching at St. Cecilia Catholic School. I live within the Barrhaven Community with my Husband and 7 year old identical twin boys. I am so honoured to be able to teach within my own community.

Some of my interests include spending time with my wonderful family, chasing after my busy seven year olds Carter and Grayson, reading, downhill skiing and golfing.

Some of my favourite sports teams are the ottawa Senators and the ottawa REDBLACKS!!!!

Another important member of our family is our two year old Shih poo and her name is Ruby. we love her so much and have been having so much fun with her over the past two years. She is a bundle of energy and is so loving and patient. I am sure I will be coming to school each day with a Ruby story or two :).

I look forward to teaching your child this year and supporting your child's education over the course of this school year.
