“Safe and Caring School Communities”

Dear Parents/Guardians:

The York Catholic District School Board has a primary responsibility and goal to ensure a safe learning environment for all of our students and staff in our school community.

As part of our safety initiative, St. Kateri Tekakwitha will be practicing a variety of safety procedures with students and staff.

During this week, we will be rehearsing a variety of emergency school procedures to reacquaint students and staff with the precautionary steps to take in the event of such things as a lockdown or a fire evacuation. Teachers will review these procedures with students in class prior to our practice drills.

If you have any further questions, please feel free to contact the school. Thank you for your ongoing support.

Yours in Catholic Education,

Marc Caruso

Principal
