We should create a list of questions to ask EU Commission about what do we need. What are the benefits to join the network for participants?

Stjin: We could get support from JRC on how to organize this initiative. And initiate a continuous dialogue with key people in the EU institutions (personal contact, not only formal meetings).

Internal vs External relations:

Internal

How do we organize ourselves

How can people join

External

Gather data about what is going on - formal. informal, etc.

Where do we get support from

Timing

Funding
